

## Dance Floor Size Guide

Estimate that no more than 50-60% of your guests will be dancing at one time; approximately 12 square feet per couple. This can be adjusted depending on the age of your guests, weather, and whether you have a live band or DJ.

Below are suggested dance floor sizes based on guest count:

Number of Guests	Floor Size	Number of Sections Needed
40	8' x 12'	6 Pieces
60	12' x 12'	9 Pieces
80	12' x 16'	12 Pieces
100	16' x 16'	16 Pieces
120	16' x 20'	20 Pieces
150	20' x 20'	25 Pieces
180	20' x 24'	30 Pieces
200	24' x 24'	36 Pieces
